Directions to Evansville Surgery Center at Gateway Campus

- Evansville Surgery Center's east-side location is at the Deaconess Gateway Campus off the Lloyd Expressway and near the I-164 interchange.
- As you are driving east on the Lloyd Expressway from Evansville or taking the Lloyd East exit from I-164—or driving west on the Lloyd Expressway from Newburgh—turn south onto Epworth Road toward the Deaconess Gateway entrance.
- Make a right turn into Deaconess Gateway Campus and proceed to make the next right as you face Deaconess Gateway Hospital to take Gateway Boulevard around to Evansville Surgery Center.
- You will pass Deaconess Gateway Hospital, The Heart Hospital, the Emergency Room, Deaconess Chancellor Center for Oncology and Gateway Physician Center 1 on your left as you head toward The Women's Hospital.
- Make a left turn toward the Gateway Physician Center 2 building, where Evansville Surgery Center is located on the first floor.
- Pull under the awning by the double glass doors at the Gateway Physician Center 2 to drop off the patient.
- Once you walk through the double glass doors, veer left toward the center of the hallway.
- Evansville Surgery Center is located inside the wooden doors at Suite 100, where you will check in at the main lobby.
