

Directions to Evansville Surgery Center at Deaconess Midtown Campus

520 Mary Street, Suite 130 • Evansville

- Evansville Surgery Center's Midtown location (1) is on the Deaconess Midtown Hospital campus at the intersection of Mary and Virginia streets.
- Continue on Mary Street toward Deaconess Midtown Hospital.
- There is a parking lot (3) to your right and a parking garage (2) to your left.
- We recommend using the parking garage (2). Once you pull into the parking garage, proceed up the ramps to find parking. There are five parking levels, with elevators and stairways located in the center of the garage on the north side.
- Take the elevator or stairway to Level 2, where a walkway is located that goes into the hospital complex. Take the walkway on Level 2 until you come to the first set of elevators on your right (if you go down a ramp into the hospital, you've gone too far).
- Take the elevator down to the first floor. Once you step out of the elevator, turn right toward a set of double glass doors (which lead outside) and then turn right around the corner **before** you reach the doors that lead outside. You will see the entrance door to Evansville Surgery Center, Midtown Campus.
- As you proceed through the doors, a receptionist will greet you and ask you to sign in.
